LegalEase – AI Legal Document Generator
LegalEase Inc. | Documentation Version 2.0

Dhanasri S. (Team Leader), Saranya E., Reshma R., Sandhiya S.

User says

"I need an agreement, but I do not know how to word the clauses."

User thinks

Wants a professional-looking document quickly, without paying for drafting every time.

User does

Enters document type, parties, terms and date, then reviews and edits the generated text.

User feels

May feel worried about missing clauses or making legal mistakes.

Pain points

Time-consuming drafting, unfamiliar legal language, inconsistent formatting.

Needs

Simple input form, structured output, easy editing and ready-to-use TXT / DOCX / PDF files.
