

Problem-Solution Fit

LegalEase – AI Legal Document Generator
LegalEase Inc. | Documentation Version 2.0

Dhanasri S. (Team Leader), Saranya E., Reshma R., Sandhiya S.

Problem

Legal drafting is slow, unfamiliar and inconsistent for non-experts.

Solution fit

LegalEase turns four simple inputs into a structured legal document using Generative AI, with preview, editing and export in one interface.

Value

Clear connection between user needs, inputs, AI processing and a downloadable result.
